

IDEX Metals Announces Investor Relations Agreement

Vancouver, B.C. – January 23, 2026 – IDEX Metals Corp. ("IDEX" or the "Company") (TSXV: IDEX; OTCQB: IDXMF) is pleased to announce that it has entered into a consulting agreement (the "**Consulting Agreement**") with Bunt Capital Corporation ("**Bunt Capital**") to provide certain investor relations services to the Company.

Bunt Capital is a full-service marketing and consulting services company based in Toronto, Ontario, focused on the junior metals and mining sector. Under the agreement, Bunt Capital will provide investor relations and capital-markets advisory services, including advising on capital markets strategy and making introductions and coordinating roadshows and site visits for analysts and investors. Bunt Capital and its affiliates are at arm's length to the Company and have no other relationship with the Company and do not own any securities of the Company, other than stock options as described below.

The Consulting Agreement has term of 6 months (the "**Term**"). Pursuant to the Consulting Agreement, Bunt Capital has agreed to provide capital markets advisory services to the Company, and the Company will pay Bunt Capital US\$15,000 per month (the "**Cash Fee**") during the Term. The Consulting Agreement is subject to approval from the TSX Venture Exchange (the "**TSXV**"). In addition to the Cash Fee, the Company will grant Bunt Capital 200,000 stock options of the Company (the "**Options**"), at an exercise price of \$0.50 per share. The Options shall vest in accordance with Exchange requirements, specifically: 25% of the Options shall vest on the date that is three months following the date of issuance, 25% of the Options shall vest on the date that is six months following the date of issuance, 25% of the Options shall vest on the date that is nine months following the date of issuance, and 25% of the Options shall vest on the date that is twelve months following the date of issuance.

About IDEX Metals Corp.

IDEX Metals Corp. is a mineral exploration company focused on advancing a portfolio of base and precious metal projects in Idaho, USA. IDEX is primarily focused on the exploration and development of the Freeze Copper-Gold porphyry prospect located in the newly discovered Idaho Copper District, Washington County, Idaho. With a strategic land position in a top-tier mining jurisdiction and surrounded by major industry players, IDEX is committed to redefining district-scale exploration in Idaho.

Cautionary Note Regarding Forward-Looking Statements

Statements contained in this news release that are not historical facts may be forward-looking statements. These forward-looking statements involve risks, uncertainties and other factors that could cause actual results to differ materially from those expressed or implied by such forward-looking statements. In addition, the forward-looking statements require management to make assumptions and are subject to inherent risks and uncertainties. There is significant risk that the forward-looking statements will not prove to be accurate, that the management's assumptions may not be correct and that actual results may differ materially from such forward-looking statements. Accordingly, readers should not place undue reliance on the forward-looking statements. Generally forward-looking statements can be identified by the use of terminology such as "anticipate", "will", "expect", "may", "continue", "could", "estimate", "forecast", "plan", "potential" and similar expressions. These forward-looking statements are based on a number of assumptions which may prove to be incorrect which, without limiting the generality of the following, include: risks inherent in exploration activities; the impact of exploration competition; unexpected geological or hydrological conditions; changes in government regulations and policies, including trade laws and policies; failure to obtain necessary permits and approvals from government authorities; volatility and sensitivity to market prices; volatility and sensitivity to capital market fluctuations; the ability to raise funds through private or public equity financings; environmental and safety risks including increased regulatory burdens; weather and other natural phenomena; and other exploration, development, operating, financial market and regulatory risks. The forward-looking statements contained in this press release are made as of the date hereof or the dates specifically referenced in this press release, where applicable. Except as required by applicable securities laws and regulation, IDEX disclaims any intention or obligation to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise, except as required by applicable securities laws. All forward-looking statements contained in this press release are expressly qualified by this cautionary statement.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
